To those who are concerned

Due to the military aggression by the Russian Federation against Ukraine, arises the need for urgent provision of services to the Armed Forces of Ukraine and other defense authorities of Ukraine.

The Cabinet of Ministers of Ukraine, represented by the Minister of Infrastructure of Ukraine – Olexandr Kubrakov, authorizes the non-profit organization "Digital Transformation Institute" (identification code 42397134), represented by the director – Nadiia Vasilyeva, to purchase and / or organize supplies of the following categories of goods and services according to the Paragraph 2.4.8 of STATUTE ("Receive assistance in the form of funds or property received free of charge in the form of membership fees, irrevocable international or local financial assistance, donations, grants, and independently decide on their use in accordance with the provisions of this Statute and the legislation of Ukraine"):

- technical and information support services;
- services of international cloud providers;
- dual-use goods;
- medical goods;
- medical equipment;
- transport;
- food.

All these goods and services are intended for the needs of the Armed Forces of Ukraine, the National Guard of Ukraine, the population and local governments for the organization of defense and humanitarian needs.

I ask all representatives of public authorities and self-government to contribute as much as possible to achieving this goal.

Minister

Oleksandr KUBRAKOV
